Communication in visually impaired children

References

Ian Bell
Specialist Independent Speech and Language Therapist

This reading list was compiled by Ian Bell. The list is not regarded as fully comprehensive, but includes all items known to me at the time it was compiled.

This list of references is available as a pdf at http://ianpbell.wordpress.com/communication-in-vi-children/

If you have any queries or comment, please contact me through my website at http://ianpbell.com/contact/

A separate list of references on Visual impairment and autism is available at http://ianpbell.com/visual-impairment-autism/

**NB** The inclusion of an item on this list does not indicate any form of recommendation.
