

Visual Impairment and Autism References

Ian Bell

Specialist Independent Speech and Language Therapist

This reading list was compiled by **Ian Bell**, formerly Project Leader, Visual Impairment and Autism Project. For more information about the Project, please see the article *The Visual Impairment and Autism Project* which is also available on Ian's website. The article includes information on the guidance for practitioners developed by the Project team.

This list of references is available as a pdf at <http://ianpbell.com/visual-impairment-autism/>.

If you have any queries, please email me:
vi-autism.medina@tiscali.co.uk

NB The inclusion of an item on this list does not indicate any form of recommendation. This list should not be regarded as complete. It is updated periodically, but it is likely to omit very recent publications.

If you know of items not listed here, please email me:
vi-autism.medina@tiscali.co.uk
